

LUTHER H. FOSTER, JR. PUBLIC SERVICE INTERNSHIP PROGRAM

The Luther H. Foster, Jr. Public Service Internship Program is a selective program dedicated to promoting the success of underrepresented populations pursuing public interest careers and providing opportunities for students who are committed to amplifying underrepresented voices in public service and social impact. The program offers career resources, leadership development, and funded internship opportunities that align with the program's mission to amplify underrepresented voices in politics and social impact.
